

Little Patuxent River HM & 10K - Feb 21, 2026

To ensure runner safety and to reduce the amount of passing during the first few miles of the race, participants have been placed into waves based on their average pace per mile as entered during online registration. Participants MUST start in their assigned waves.

Your individual run time starts when you cross under the starting arch within each wave. If your average pace is listed incorrectly but only by 30 seconds or so, please remain in your assigned wave. If you feel STRONGLY that you should be placed in a different wave, please request via email to racedirector@ripitevents.com. Requesting to start in a wave with a friend or family member is NOT a valid reason to switch waves. There are over 1,000 runners in this race and we can not accommodate special requests for everyone. We thank you for your understanding.
